

“Urban Competition Hands On Skills Workshops”

In place of the annual VFBV Coaches/Judges School this year, there will be 4 ‘Urban Competition Hands On Skills Workshops’ conducted at 4 locations around the state.

These Workshops are being organised and facilitated by experienced Competitors/Coaches, and all brigades are encouraged to attend their nearest Workshop. Current or prospective competitors and coaches will gain an insight into the techniques of successful competitors and teams, which will not only lead to better competition but safer competition.

Each Workshop is being facilitated by your fellow competitors/coaches – so take advantage of their experience and skill, support their willingness to assist you, and attend a Workshop.

There is no limit on numbers attending, but please advise VFBV office (Jenni Laing) of numbers attending for catering purposes by returning the reply slip below, or email or telephone and advise of your attendance to j.laing@vfbv.com.au or 9886 1141.
