		27	Ex Lieutenant Pat Quinn Firefighter David Farmer

## WELCOME MESSAGE FROM THE VFBV STATE PRESIDENT

On behalf of the VFBV Board and the State Championship Committee members, welcome to the State Rural Championships being held in Wodonga.

I wish to acknowledge the Brigades in District 24 and the Host Committee for the significant time and work undertaken in hosting the third State Championship to be conducted in Wodonga, and for their efforts to ensure the track and facilities are of a high standard.

To our many Judges and Officials, thank you for your time and expertise which ensure that our Championships continue to maintain the high standard developed over many years. Thanks also to the members of the State Championship Committee led by Chair Gerry Neyenhuis, which continues to allow for change to better deal with future challenges and ensure that the culture of our competitions continues into the future.

CFA's continued support at all levels is appreciated and especially that of the Mechanical Staff and Tower Overseers. The CFA displays this weekend, are a great showcase to the local community of the many aspects that make CFA the great community based fire service that it is.

Thank you to the many sponsors who provide considerable support; without your continued support our task of staging these Championships would be that more difficult.

For the past 60 years, the benefits of State Rural Championships have included training in firefighting techniques, fitness development and discipline, teamwork and leadership, sense of belonging and networking, and fosters and encourages our future volunteer firefighters and our future CFA, Brigade and VFBV leaders.

VFBV acknowledges the achievements and value of all CFA volunteers and members, standing alongside Victoria's 60,000 volunteers in protecting life and property throughout our communities, 24 hours a day, 7 days a week - the skills developed for this weekend, only highlights the importance of our competitions.

Enjoy the friendship and atmosphere that Championships provide, and good luck to all.

Nev Jones AFSM  
VFBV State President

# COUNTRY FIRE AUTHORITY

## CFA BOARD MEMBERS AND EXECUTIVE OFFICERS 2017

Chief Officer	Mr Steve Warrington
Acting Executive Director Infrastructure Services	Mr Anthony Ramsay
Acting Executive Director People and Culture	Ms Zemeel Saba
Acting Executive Director Volunteers & Strategy	Mr John Haynes
Chief Financial Officer	Mr Nigel McCormick
General Counsel, Legal & Insurance Services	Mr Bruce Russell

## WELCOME MESSAGE FROM THE CFA CHIEF OFFICER

It's my privilege to welcome you to this year's State Rural Championships in Wodonga. It is the pinnacle and final event of the year, bringing all brigades together to not only compete and showcase their specialist skills, but to establish who will be the Champion brigade in 2017.

While the focus is rightly on these Championships, we should take this opportunity to recognise and thank those that have contributed to every Championship event in the 2016/17 calendar. The marshalls, judges, coaches, supporters, caterers and of course the many competitors, and I'm sure many more that continue to work to put these events on and make them such a success.

This event is an opportunity to be proud of CFA or more particularly your brigade and the community you represent. It's an opportunity to come together as a family in fellowship, catch up with old friends, or just enjoy the spectacle.

Finally, and possibly most importantly, have fun and enjoy a safe Championships. As we do when we attend fires and incidents, we should all return home safely.

May the best teams win and everyone have a safe and enjoyable time.

Good luck

Steve Warrington  
Chief Officer

## THANKYOU

Volunteer Fire Brigades Victoria (VFBV) would like to thank Hino Motor Sales Australia for again coming on board as this year's Major Sponsor. Without a major sponsor, these Championships would not be possible. Special thanks to Mr Steve Lotter (President & CEO) & Mr Tom Ayrton (National Government Sales Manager, Hino) for their continued support.

And thank-you to the Wodonga City Council, and the Mayor Cr Anna Speedie for their support in being the Host City for this years Championships.

We also thank the following sponsor's:

### **State Silver Sponsors**

ECCO Safety Group  
GAAM  
SEM

### **Local Sponsors**

Arkon Auto Electrical & Instruments  
Flower Macklan  
La Trobe University

### Chair's Welcome

On behalf of District 24, 2017 Rural State Championship Committee, we would like to welcome all CFA & VFBV officials, distinguished guests, our all-important Sponsors representatives, competitors & family members to the Wodonga Diamonds Soccer grounds, for the running of the 61st VFBV Rural State Championships. There are many things to see & do in and around Wodonga & surrounding towns, I hope everyone takes the opportunity to explore our little piece of paradise here on the border and has a very enjoyable stay in District 24, we hope you have a safe & successful State championships.

We appreciate the long journey you have all made up into the North East, we aim to make the event run as smoothly as possible to hopefully get you all away on time.

I would like to thank all the District 24, 2017 Rural State Championship committee members for their hard work and dedication to the huge task, I would like to thank our District 24 Operations Manager Paul King AFSM, for his fantastic continued support of our local D24 DEMO & these State Championships, along with his dedicated District 24 office team, I would also like to thank Glenn Mercer & Gerry Neyenhuis from VFBV, Laura Bracken CFA HQ for your awesome support, assistance & huge amount of work in the background, it's greatly appreciated. Last but not least, thank you to the CFA DMO's lead by Luke Woollorton, for all their hard work, as without this team, the championships wouldn't happen.

Gary Wattie, Chair District 24, 2017 Rural State Championship Committee

We help keep safe  
those who keep  
us all safe.

## WELCOME MESSAGE FROM THE MAYOR

I'd like to extend a warm welcome to everyone visiting Wodonga for the 2017 Volunteer Fire Brigade Victoria (VFBV) Rural State Championships, being held at the La Trobe University soccer grounds.

Fire Brigade Championships have been conducted in Victoria by volunteers since the gold rush years of the 1850s and this year, they continue to evolve.

The 2017 Rural State Championships are organised by the District 24 Championship Committee under the auspices of the VFBV. The committee comprises of members from local brigades, who have contributed a significant amount of time and effort organising this event - over and above their commitment to their brigades and employers.

We are anticipating that approximately 80 senior and 70 junior teams from all over Victoria will be competing in the championships. All competitors are CFA members, who are representing the many volunteer firefighting brigades across Victoria.

Events such as this demonstrate the dedication and enthusiasm of CFA members and their interest in all aspects of the organisation. The interest of the younger members, in particular, will hopefully ensure that the CFA maintains its vitality and its commitment to adapting to the changing needs in the community.

Wodonga, and the north east region, is ideally situated on the picturesque Murray River and is nestled between stunning mountains and valleys. Using Wodonga as a base, I encourage you to explore the surrounding countryside, which is home to premier wineries, fantastic gourmet food producers and nationally-significant historic towns.

During your stay in our city, I also encourage you to visit some of our wonderful local, regional, and nationally-recognised attractions, such as the heritage-listed Bonegilla Migrant Experience and the extensive Bandiana Army Museum. Finally, a visit to the region wouldn't be complete without taking in the stunning views at Lake Hume.

The championships will generate a lot of excitement across the region, and I congratulate everyone who has been involved in bringing them to our city. We hope you have a wonderful time during your stay - so much so that you will want to come back to visit us again in the future.

Mayor Cr Anna Speedie  
Wodonga City Council

## STATE COMPETITION COMMITTEE

**Chairman**  
**Gerry Neyenhuis**

### Committee Members:

#### District

4 Kelvin Bateman  
5 Stan Ross  
6 John McGee  
7 Eon Cook  
8 Bruce Conboy  
9 John Kennedy  
11 Phil Lind  
13 Jim Dusting

# 61st STATE SENIOR CHAMPIONSHIPS

**Saturday, 1 April 2017**

## **Official Opening**

The Official Opening will commence at 0830 hours sharp.

## **Competition Events**

To commence at 0900 hours sharp.

## **Conduct Event**

Judging will commence 30 minutes before start of competition and conclude at 1500 hours approximately. The points awarded with this event will not be included in the aggregate results

## **COMPETITION EVENTS**

Competition will be conducted in accordance with the revised VFBV State Championships Rules published in October 2015 (v5.5), and subsequently issued amendments. The Rules are available on the VFBV Website.

The Events will be as follows:

- Event 1: Low Down Pump & Ladder – 5 competitors
- Event 2: Hose & Ladder – 4 competitors
- Event 3: Tanker Hose Reel & Ladder – 5 competitors
- Event 4: Tanker – Priming, Pumping & Ladder – 4 competitors
- Event 5: Hydrant & Tanker – 4 competitors
- Event 6: Tanker – Drawing Water From Tank – 4 competitors

## **Guidelines**

The following guidelines apply to the entry of teams to the VFBV Senior State Championships:

- A grading system (Division 1, 2 & 3) applies to all teams entered in the Championships.
- The grade allocated to the team applies for the whole day, not for each event.

Grades have been allocated on the following basis:

- The average of the times by each team in the six events at the 2016 State Championships have been used to classify each team. New teams are automatically classified in Division 3;
- **Teams are graded each year; by ruling of the State Championships Committee requests for variations will not be considered. To ensure fairness and equity, team gradings will be based on time results of previous years only.**

The brigade aggregate winners in each Division will be determined by their event placings, with an aggregate trophy being provided to the winning brigade team in each Division, and a station trophy for the second place-getter.

## STATE CHAMPIONSHIP AGGREGATE WINNERS

Year	No.	Venue	Host Region	Aggregate Winner
1957	1 <sup>st</sup>	Strathfieldsaye	Region 21	Region 21

Eldorado	Stuart Mill
Greta	Swan Hill
Huntly	Torquay
Hurstbridge	Truganina
Irrewarra	Wallan
Kal Kallo	Willaura
Katunga	Wodonga West
Leopold	Yarrambat

## FIREFIGHTERS SPRINT - SENIORS

Following the Tanker Drawing Water Event, the Firefighters Sprints will be conducted over 50 metres with one female competitor per Brigade eligible to compete in the Female Sprint and one male competitor per Brigade in the Male Sprint, and subject to the time of day and track conditions.

For each Sprint, the two fastest in each heat will run off in the final. Trophies kindly sponsored by the Host Committee will be awarded to the winners.

Each Sprint to be conducted in alphabetical order. (Brigade)

## GENERAL INFORMATION

There are a number of features of these Rural Championships common to all events. All track measurements are taken from a line across three running tracks called a start line.

The bar line is located 40 metres forward of the start line for all events. The line is located below the bars against which the ladders used in the ladder events are placed. There is also a tanker line (on which the replica tanker stand is placed), and an equipment line located at varying distances forward of the start line depending on the event.

The target lines are located forward of the start line, as is also the finish line in those events where it is required. Other equipment such as hydrants, targets, suction hoses and portable dam, are located at specified distances depending on the event, to the left and right of a centre line down the middle of each running track.

A mock-up of the rear of a tanker (a firefighting vehicle fitted with a tank capable of holding either a 2000 litre or a 3000 litre water tank and equipped with a motor and pump) is provided for all tanker events. This is known as a Replica Tanker Stand. These stands, built to a standard design, have been constructed to overcome difficulties encountered in providing firefighting tankers exactly alike and to avoid difficulties likely to arise from taking heavy tankers onto sporting ovals.

A number of disqualifications, some of which are applicable to all events, are provided in the Competition Rules to ensure that all equipment is handled safely and carefully, so as to encourage safe and efficient firefighting procedures.

### - ALCOHOL –

No alcohol is to be taken onto or consumed on the arena. This will be strictly policed.

### - NO SMOKING–

No smoking is permitted within 10m of the track or around junior competitors.

### - VIDEO CAMERA EVIDENCE -

By direction of the Competition Committee video camera replays will not be allowed to be submitted in support of team protests to the Protests Committee. For safety, the wearing of Go Pro's or other similar devices by competitors is not permitted unless prior approval.

### - FILMING WAIVER –

The Competition Committee reserves the right to carry out filming of events during championships in order to be used in Training materials for brigades and competitors. As filming will occur in a public place, waivers are not required, however if any guest or competitor does not specifically wish to be filmed, please visit the Secretariat tent.

## TROPHIES

### **Aggregate Teams in Division**

A Station Trophy provided by Volunteer Fire Brigades Victoria will be presented to the team with the highest aggregate points in each Division. (1, 2 and 3)

### **Division Aggregate Second Placegetter Trophies**

A station Trophy Provided by Volunteer Fire Brigades Victoria will be awarded to the aggregate second placegetter over all events in each Division.

### **Alan King AFSM Memorial Conduct Trophy**

Presented as a perpetual trophy to the District achieving the highest points in general behaviour, dress, and punctuality of their team members on the competition ground, between the commencement of competition events and 1800 hours.

### **Event Perpetual Trophies**

To be awarded to the team with the fastest recorded time in each event out of the three Divisions. Event Perpetual Trophies are as listed on Each Events Results page.

### **Medallions**

Individual awards will be presented to the teams running 1st, 2nd and 3rd in each event in the Senior Divisions 1, 2 and 3, and in the Juniors 11-13 years and the Juniors 11-15 years.

### **Stan Ross Conduct Trophy (Juniors)**

Presented as a perpetual trophy to the brigade achieving the highest points in general behaviour, dress and punctuality of their team members on the competition ground, half an hour prior to the commencement events and 1500hours.

### **VFBV State President's Encouragement Trophy (Juniors)**

An encouragement award for a Junior Team in 11-13 years section. To be presented to a team that shows endeavour, enthusiasm, behaviour both on and off the running track, exhibits qualities such as fairness and the potential for improvement while having fun and enjoyment. Judging Guidelines:

- A team must compete in at least two events
- Teams winning a perpetual trophy or finishing top three in more than two events are ineligible.

## EVENT DESCRIPTIONS

### **Event 1: Low Down Pump and Ladder**

Although the type of hand operated pump used in this event is fast becoming obsolete in the rural fire service (it is normally used for pumping from a static water supply) it is still utilised for competition events as it provides excellent practice for younger brigade members. The competitors are required to connect suction and delivery hoses to the so-called low down pump. A competitor wearing a safety harness fitted with a clip to hold the delivery hose ascends the ladder which has been raised and placed against the bar, and activates the target with a stream of water which must be directed from above the bar. The competitors operating the pump must have both feet clear of the ground while pumping.

### **Event 2: Hose & Ladder**

The purpose of this event is to train firefighters in the speedy and efficient coupling of hoses to the tanker pump and in direction water at a target. The four competitors in this event are required to disconnect a coupling laid out between the tanker stand and the bar line, and connect coupling to the pump outlet. A competitor is required to hold the ladder against the bar while another ascends the ladder and activates the target.

### **Event 3: Tanker Hose Reel & Ladder**

This event is an exercise in the use of the equipment provided on tankers. The five competitors are required to connect a length of delivery hose to the tanker pump and strike a target with a stream of water. A second length of hose is then connected to the first length and the second target which is 34 metres down the track from the position where the ladder is placed, is then struck also. That second hose is then uncoupled, returned and coupled to the second delivery outlet of the pump. A competitor then ascends the ladder with the hose and activates the third target.

### **Event 4: Tanker – Priming, Pumping & Ladder**

This event combines the skills of connecting equipment to the appliances and manually priming the pump to provide a stream of water. The event is designed to replicate conditions in field with the use of a pump lifting water from a dam (in this case a portable dam).

### **Event 5: Hydrant & Tanker**

The four competitors shall run to the tanker, collect hydrant and soft suction hose, remove ground plug and fit hydrant to lugs. One end of the soft suction will be fitted to hydrant and the other to the tanker filler inlet. The rolled NRL hose will be collected from RTS and bowled so that the loop extends over the 29.5 metre line. It will then be fitted to a delivery outlet, a branch fitted and target struck with water. The NRL hose on reel will be run out, connected to a delivery outlet, branch fitted and other target struck.

### **Event 6: Tanker – Drawing Water From Tank**

The event requires the connection of two hoses to the pump and three targets to be struck. The first target is struck and then the second, but not before the first outlet had been cut off. The second hose is then uncoupled and connected to the end of the first hose, run out and the third target located further down the track is then activated.

## PREVIOUS WINNING TIMES (10 YEARS)

### HYDRANT AND TANKER

## DISQUALIFICATION LIST

1. Failure to complete event as per Running Details. (In all events)
2. Abuse of equipment. (In all events)
3. **Time.** Handling equipment after completion of run. (Events 2,3,4,5 & 6)
4. Striking targets out of sequence. (Events 3, 5, 6 & Junior Event 2)
5. **Time.** Hydrant or couplings not being within 15mm of tightness. (Event 5)
6. Crossed threads or jammed couplings. (In all events)
7. Failure to activate any intermediate targets. (Events 3,5,6 & Junior Event 2)
8. **Time.** Not rewinding spare hose onto hose reel so that coupling is clear of ground, before completion of run. (Events 3,5)
9. **Time.** Either delivery outlet open sufficient to allow a flow of water other than a drip, without hose attached. (Events 2, 3, 4, 5, 6)
10. Ladder not locked in place prior to competitor commencing ascent. (Events 1,2,3,4)
11. Ladder not held in prescribed manner from time raised until completion of event and ladder handed over to Track Officials. (Events 1,2,3,4)
12. Hose not attached to safety harness during ascent and descent of ladder. (Events 1,2,3,4)
13. **Time.** Competitors not ascending/descending ladder in the correct manner. (Events 1,2,3,4)
14. Competitor not holding ladder in correct manner when activating target(s) and juniors having their feet above the 6th rung when activating target. (Events 1,2,3,4)
15. **Time.** Failure to activate target with a stream of water directed from above the bar. (Events 1,2,3,4)
16. **Time.** Breaking coupling outside designated metre square. (Event 2)
17. **Time.** Hose not bowled out across line 3 metres from back of trailer (Junior events 4 and 5)
18. Hose not being bowled out across Hose Bowling Line or not within the track dimensions when coupled. (Senior Events 4 and 5)
19. **Time.** Competitor/s not having both feet clear of the ground while pumping. (Event 1)
20. Not using the step/s provided when mounting and dismounting from tanker. (Event 4)
21. Pump not primed within 60 seconds of commencement of heat. (Event 4)
22. **Time.** Knotted, (but not kinked) hose lines at completion of event. (All events)
23. **Time.** Two streams of water appearing at nozzles at any one time. (Events 3, 5, 6 & Junior Event 2)

# 39th STATE JUNIOR CHAMPIONSHIPS

**Sunday, 2 April 2017**

**\*\* Please note Daylight Savings finishes tonight, and clocks go BACKWARD at 0300hrs \*\***

## COMMENCEMENT TIME

Official opening of the Junior Championships will commence sharp at 0830 hours.

## EVENTS

Competition events will be conducted in accordance with the VFBV State Championships Rules published in October 2015 (v5.5), and subsequently issued amendments. The Rules are available on the VFBV Website. Events are as follows:

- Event 1A – Low Down Pump & Ladder (11-13 years)
- Event 1B – Low Down Pump & Ladder (11-15 years)
- Event 2A – Hose & Ladder (11-13 years)
- Event 2B – Hose & Ladder (11-15 years)
- Event 4A – Tanker – Priming, Pumping & Ladder (11-13 years)
- Event 4B – Tanker – Priming, Pumping & Ladder (11-15 years)
- Event 5A – Hydrant & Tanker (11-13 years)
- Event 5B – Hydrant & Tanker (11-15 years)
- Event 6A – Tanker – Drawing Water From Tank (11-13 years)
- Event 6B – Tanker – Drawing Water From Tank (11-15 years)

Conduct Event – Judging will commence 30 minutes before the commencement of competition and will conclude at 1500 hours approximately. The points awarded in this event will not be included in the aggregate results.

Following the last event a Firefighters Sprint over 50 metres will be conducted with ONE MALE and ONE FEMALE from each age group eligible to compete in alphabetical order as listed on Page 14. The two fastest in each heat will run off in a final. Trophies, kindly sponsored by the Host Committee, will be awarded to the winners.

## Aggregate Trophies

**Grand Aggregate Junior Champion Brigade** - Station Plaque presented by CFA

**Aggregate Champion Team 11-15 years** - Perpetual Trophy presented by VFBV, and Station Plaque presented by CFA

**Aggregate Champion Team 11-13 years** - Perpetual Trophy presented by VFBV, and Station Plaque presented by CFA

# SPEND MORE TIME ON THE ROAD, AND LESS TIME OFF WITH HINO.

On road, working hard is where you'll find Hino trucks. That's because every single one is built on enduring principles of Quality, Durability and Reliability. And remember when you buy a Hino, you've got an expert team behind you to keep you on the road. No matter what. It's what makes them such good partners for your long road ahead. **Hino - A Proud Sponsor of Supercars.**
